

COMMUNITY CHRISTIAN SCHOOL

Dear Parents:

Students who complete “Understanding the Times” high school worldview curriculum can earn 3 hours of college credit. This option is offered through Bryan College, a fully accredited Christian liberal arts college in Dayton, TN. These credits are transferable to most colleges and universities (both religious and secular) and are transcribed as Christian Thought 112 under the title “Understanding the Times”.

Since Bryan College is fully accredited, credits easily transfer to most schools. Upon successfully completing the requirements, the grade and credit will be issued on an official transcript. The first transcript is free; each additional transcript may require a fee.

To qualify for this program, students will need to:

1. Earn a C or above in the completed course, which will be the end of the school year 2012.
2. Submit the ten Unit Tests and Final Exam, the Worldview Research paper (found in Unit 05), and write the ten responsive Essays
We will be collecting all of the tests, exams, research paper & essays at the school and filing them in each student’s folder.
3. Submit application and tuition (non-refundable \$350.00) to Summit Ministries

Note: The final grade will be determined by CCS. Bryan College may accept the students submitted grade or use their own grading. They may also transfer credit as either “pass” or “fail”.

This is a great opportunity for our students. Please contact me if you have any questions.

Thank You,

Doris Neffinger
